In their annual
Día de los Muertos Commemoration!

Dear Students, Faculty, and Friends:

As it has become tradition, CCS and CLAS will have their annual Altar de Muertos (Day of the Dead altar) set up on the third floor of the Arts and Letters (CAL) building, near the elevators. It will be on display from October 30 through November 10, 2017.

This year’s theme is “DACA, RIPped…but not our dreamers!”—to be interpreted by each individual. The innovative altar will display small pieces that address this topic (e.g., poems, art, objects, photographs, data charts). Although most items are student creations, we invite all SDSU community members to participate.

Please drop off pieces in CAL, Room 348, beginning Wednesday (10/25). If you would like to help set up the altar, simply come by from 10 am to 5:00 pm that day.

As a traditional altar, we will honor those who are no longer with us. Bring a photo of your departed loved one(s) and any food, beverages, or other items they enjoyed during their lifetime.*

We will serve coffee and pan de muerto (sweet bread) on Wednesday, November 1, at 12 pm, and will have music commemorating this special day.

Please plan to join us!

*Please note that these items will be unattended. You may pick them up starting Monday, November 13, at the CCS office (CAL 348). Unclaimed items will be discarded or used for next year's altar.
