Bienvenidos!
The 50th Anniversary Celebration Begins

In April of 1969 the historic *Plan de Santa Barbara* – which established the blueprint for Chicana/o Studies programs and departments across the nation – was signed. To mark this foundational moment in our history, we kick-off a yearlong 50th anniversary commemoration this month. We invite you to join us! (More events will be added, so please check our website continuously throughout the year).
